

STRONG PERFORMANCE FOR YOUR PRESSROOM: HIGHEST PRINT QUALITY WITH FOLACOAT AND FOLACOMP

Dear Ladies and Gentlemen, dear friends of Folex,

the Folex system solution consisting of Folacoat coating plates and Folacomp compressible underpackings has proven itself in numerous print shops for years. It impresses with its reliability, ease of use and consistently high quality. Folacoat coating plates and Folacomp compressible underpackings are perfectly matched and enable excellent printing results with very high cost-effectiveness.

Find out [HERE](#) how you can optimise your processes and shorten production times with our system solution.

Are you interested or do you have any questions? Write to us at service@folex.de.

We will be happy to advise you.

Your Folex team

ABOUT FOLEX

The Folex group specialises in the finishing and coating of films and specialities and has production companies based in Switzerland (Schwyz) and Germany (Cologne and Erlangen) that offer high-quality products and tailor made services for a wide variety of markets. Today Folex offers solutions for many sectors, from the printing industry or digital and large format printing, the office and home sector, all the way to primary products for the electronics industry.
