

DATA SHEET 14TDV.150.82000

Doplan TDVSL A0

Hanging tape is used to archive technical drawings and plans. In cases where electronic storage is not desired or sufficient, Doplan® hanging tape by Regulus provides you with a perforated strip that includes an adhesive zone. Using the tape, you will find long-term and neat filing of large-format plans in drawing cabinets a snap. Various perforations are available for different cabinet makes based on material qualities proven and tested throughout the years.
